Lincoln's Assassination.

WASHINGTON, April 27 .- An interest-

ing incident, which foreshadowed the

tragic fate of President Lincoln, but

which has never before found its way

engineers and the old school of scientific reach the inaugural platform may be formed from the fact that he broke away from the man who first seized him, Mr. Westfall, and but for the closing of the

ses" instead of piles; the creation of excited stranger was, but the importbrought her all the latest vocal music, good, had and indifferent. His mother, with a discretion as rare as it was praiseworthy, said not a word to him about his strange conduct, extremely strange gratitude of his fellow-citizens in the splendid persistence with which he has At length the cold weather returned and the Auborys went back to their city home. Some weeks classed before any Some weeks elapsed before any ability he has shown in combating the known that Wilkes Booth's attempt to theories held with great tenacity by the whole school of military engineers; for thwarted by Mr. Westfall, the latter was promptly promoted to be a Licutement reading, and wheeled his easy-chair izing the work; and for his remarkable of the Capitol Police force a position which was created for him by by the Hon. B. B. French, then Commissioner Mrs. Aubrey said, with the air of one thus securing the material aid which has of Public Buildings and Grounds, and a who has long been pondering whether to enabled him to go forward with the devoted friend of Mr. Lincoln's as a give utterance to the thought that is in work. In all these, Capt. Eades is the mark of his appropation of the great mind, "My boy ought to have a wife." central figure, and the accomplishment service which Mr. Westfall had rendered the country. This position he held until the meeting of the Forty fourth Con-And what is it that he has accomplish- gress, since which time he has been dia-

A Good Joke on a Lawyer.

The ownership of a dog was the subject of litigation in Clarksville, Ky., and there was a large attendance of countrymen at the trial. Great things were expected of the opposing lawyers, Hurd and Dougail, who had been hired at for punctuality, decided that the case

laughter informed Dougall how hadly he had been sold. On the way to Louisville he said to flurd : "I will make an but flurd said he would rish his life

tather than not tell. Pretty Tough Ping.

One day last month when trade was duil, a Vicksburg grocery clerk procured future use, . Within a few days an old chap from back in the country came in home. At the end of the eight cay beed, and walking into the store he in-

"Member that terbacker I got here-

"Well, was that a new brand?" "No-same old brand."

"Regular plug terbacker, was it?" "Well, then, it's me; it's right here in The jetties at the South pass of the no parallels of latitude, consequently, my jaws," eadly replied the man. "I
